Sahams

Sahams are special positions or points signifying important events in life. Unlike planets or houses one saham relates to only one aspect of life. There are 50 Sahams according to Neelkantha. If the Saham and its lord are well associated or aspected, it produces good results of the event it signifies. As per Tajak system Saham gives its result within a particular period calculated on the basis of its position, lord and the duration of the sign in which it is placed. Below we give the calculation of Saham and its expected date of happening which may be helpful for further predictions.

This year is not very good for you. Hence you must face the situation boldly and sensibly.

Muntha Prediction

In the first year of birth, ascendant is munthesh and every year it increases by one sign. Add the previous years to the ascendant and divide by twelve, the remainder is the present sign of muntha. Muntha increases by 2 ½ degrees per month or five minutes per day. If muntha conjoins benefic planets or it's own sign lord or it is aspected by the same or forms ithyashal yoga with them then the benefic effects are increased minimizing the malefic results.

* * * * *

This year is not good for your physical health or mental peace. You will be spending more than you earn and there will be some financial losses which may adversely affect your financial position and you will find yourself in state of destitution. You will lose faith in religion and neglect religious rites. You will be on formal terms with friends and relatives and they will not be of much help to you.

Success in business or work this year will not come easily. You will face hurdles and failures in these fields. The officials or superiors will not be satisfied with you so do not expect any help from them. Do not start any new work during this period and be careful of your business partners or colleagues. There will be disputes over land property as well. Try to face the difficulties sensibly and patiently.

Muntha Lord Prediction

In the progressed horoscope, the lord of the sign occupied by Muntha is called Munthesh. Amongst the five year lords it is one of the main planets, so when munthesh is placed in benefic house, the native gets the benefic results during the year. If at the beginning of the year, Munthesh is in sixth, eighth, twelfth or fourth house and is combust or is conjoined with malefic planets or is placed in fourth or seventh from cruel planets then instead of giving good results, it causes financial losses and physical ailment.

* * * * *

This year is not good for your physical health and mental peace. The enemies will create unnecessary problems for you so you must try to face them with confidence and courage. Financially you will be quiet comfortable. Only a few of your pending works will be done. You will not have vehicle this year. This will cause you a lot of inconvenience and discomfort.

For progress in business this year is average. You will not get along well with your superiors or high officials and they will not help you. On the contrary this may create obstacles in your promotion. This year is not too good but if you work hard you may get success.

Ascendent Lord Prediction

The year ascendant lord is called Varsh Lagnesh. It is one of the important planets amongst the five year lords. So the good or bad events of the year are influenced by ascendant lord. Particularly the health, work and luck of the native are affected by this.

If Varsh Lagnesh is full of Panchavurgi bala and is aspected by benefic planets and is placed in kendra then it gives out great pleasure and wealth, minimizing all ill-effects simultaneously.

* * * * *

This year you will be suffering from physical ailments and mental tension. You will not get along well with friends and relatives and they will turn their tables whenever you need them. You will not be satisfied with your children as they will do badly in their respective fields. Luck will not favour you due to which most of your works will remain undone.

For success in business this year is average. You will have to work very hard for even minor achievements. Your promotion in service or business will be delayed. Your superiors will not be pleased with you so try to obey them. Your financial position will be disbalanced due to your extravagance. Your social respectability will be lessened. Try to face the situation with patience.
